

SCNB Building Repair Project Summary & Reflections

The SCNB Building Repair Project is ending in 2020, with only the staining of the last 9 buildings in 2021.

The Association is providing a summary of the \$6.5 million dollar repair project by providing 15 pdf files.

Each of the pdf files following this page are important documents and presentations about the project. The documents & presentations include information from General Engineering; Andersen Windows; Holtz Builders, Inc. (HBI); and presentations/communications to owners from the Association Board of Directors over the past 5 years.

Repair schedule:

YEAR	Buildings Repaired
2016	Building 23
